### NOTICE OF PROPOSED RULE MAKING

**Adopted: August 23, 1996**

**Released: August 30, 1996**

Comment Date: October 21, 1996

Reply Comment Date: November 5, 1996

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by Acorn Broadcasting Company ("petitioner"), requesting the allotment of Channel 282A to Galena, Kansas, as the community's first local aural transmission service. Petitioner states it will apply for Channel 282A, if allotted.

2. In support of its proposal, petitioner states that Galena is an incorporated community with a population of 3,308 persons with its own post office and zip code. Galena supplies water to its citizens with a city owned water system. Petitioner also submits that the community has its own mayor and city council, numerous churches, a library and its own school district which includes a Senior High School, Junior High School, two Elementary Schools and one kindergarten facility. Public safety services are provided to Galena by the Galena Police department which employs 5 full-time officers, 9 auxiliary officers, and 5 dispatchers. Fire protection is provided by the Galena Volunteer Fire Department with a volunteer force of 30 fire fighters who supplement a paid force of 2 full-time employees. Medical needs are provided by a local physician, dentist and optometrist.

3. We believe petitioner's proposal warrants consideration since it could provide Galena with its first local FM service. Channel 282A can be allotted to Galena in compliance with the Commission's minimum distance separation requirements with a site restriction of 6.5 kilometers (4.0 miles) west in order to avoid short-spacing conflicts with the licensed sites of Station

KBCN(FM), Channel 282C, Marshall, Arkansas, Station KBEQ(FM), Channel 282C, Kansas City, Missouri, and to Station KQMO(FM)'s construction permit, Channel 281C3, Ash Grove, Missouri.<sup>1</sup>

4. Accordingly, we seek comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Present</u>	<u>Channel No.</u> <u>Proposed</u>
Galena, Kansas	--	282A

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before October 21, 1996, and reply comments on or before November 5, 1996, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554.
